## Faculty Spotlight

Click here to learn more about how Dr. Goodell created his assignment to meet his course and ConnectEd learn goals in his large SOCY 101 class

"This course is aligned with the ethical reasoning learning goal. As I sat down to design an assignment, I began to think of how I might be able to use this assignment for a second purpose - to help students see the value of a sociological perspective especially as it pertains to interviewing for their first job(s)."
